Earth Day Clean-up & Scavenger Hunt

Try to find the following:

Can you complete 10 out of 15?

- 5 cool bugs
- 4 shades of green
- Something living under a rock or a log
- 3 types of trees
- 3 different leaf shapes
- A place where water is naturally flowing
- 3 flowers
- A hole in a tree made by an animal
- 4 different kinds of rocks
- A spider web
- A hole in the ground made by an animal
- An animal home (such as a bird nest or ant hill)
- 5 different kinds of plants
- A track or trail made by an animal (can you tell what kind?)
- 3 different kinds of birds (how are they different?)

Bonus

- Collect 5 pieces of litter
- Build a fairy house (click here for ideas)
- Watch the sunset (how many colors can you see?)
- Plant any native plant that will help birds or insects in the coming year.
- Post a picture! See our Facebook page for a list of native plants!
- Post a video of you dancing along with Matt the Music Man.

Take a photo of any of the scavenger hunt or bonus items and send them to us at staff@seatuck.org – or post them to **Seatuck's Facebook page** or other social media outlets with the hashtag **#LIScavengerHunt**.
