

## Friday, April 28, 2023 - 9am-4:30pm - Scully Estate, Islip

Seatuck to host the 2023 Long Island Natural History Conference, the largest regional forum for the exchange of information about Long Island's natural history. Its goal is to bring together Long Island's leading naturalists to exchange current information, identify research and management needs, and encourage collaborations and a greater region-wide interest in Long Island's natural history.

I/We would be pleased to support the 2023 Long Island Natural History Conference

### Sponsorship Packages

**Patron (\$500):**

- Eight tickets to the conference
- Opportunity to set up a table and distribute material at the event
- Organization listed in conference material, including press releases and other announcements
