Long Island
NATURAL HISTORY CONFERENCE

Friday March 12, 2027 | 9am-4pm | Stony Brook University

Seatuck to host the 2027 Long Island Natural History Conference at Stony Brook University, the largest regional forum for the exchange of information about Long Island's natural history. Its goal is to bring together Long Island's leading naturalists to exchange current information, identify research and management needs, and encourage collaborations and a greater region-wide interest in Long Island's natural history.

☐ **I/We would be pleased to support the 2027 Long Island Natural History Conference**
